Hi Peter,

Per our conversation.

Our SCRIBE database software can be downloaded at the link provided below. I have also attached a quick start guide.

Personal Matters/Ex. 6

The database has a password:

Subscription ID: **Personal Matters/Ex. 6**

Password: **Personal Matters/Ex. 6**

When you "file>SCRIBE.net>Subscribe" you will be prompted to put in an ID and password.

Hints

- 1) Use the premade query tables on the left, try "lab samples"
- 2) use the filter button up top to get to the data you need.
- 3) Export button is upper left.
